

WHAT IS MY RETIREMENT PLAN?

LASERS administers more than 20 retirement plans. It is important for members to know their plan because there are varying contribution rates, accrual rates, and retirement eligibility rules. **If you do not know which plan you are in, here are ways to find this information and understand your future retirement eligibility.**

LOG IN TO MYLASERS

Go to www.lasersonline.org and click **Login: myLASERS**. Once you are logged in, click on the **Account** tab. Your most recent plan is listed under **Account Summary**. Need help creating an account? Visit lasersonline.org/mylasers-info.

CHECK YOUR ANNUAL STATEMENT

LASERS annual member statements detail the contributions you paid during the previous calendar year, the total contributions you paid since enrollment, and your service credit record. To find your statement online, log in to your account and click on **Documents**. Your plan name is located under **LASERS Account Information**.
