ABOUT RSEA

The Retired State Employees Association (RSEA) was formed in 1966 as an independent, member driven organization that represents men and women, and their families, who have retired or will retire from employment with the State of Louisiana.

RSEA is your voice! RSEA receives no appropriation, grant or subsidy from any level of government. RSEA depends on its support through your dues.

MISSION

"To advance the quality of life of current and future retired state employees who have given of their talents to the State of Louisiana."

OBJECTIVES

To make a significant difference in the lives and well-being of current and future retirees by:

- Protecting retirement and health benefits; securing COLAs; and providing access to other needed benefits.
- Informing members of important congressional legislation regarding new or enhanced social security benefits.

COLLABORATION

RSEA works with the Louisiana State Employees' Retirement System (LASERS) and the Office of Group Benefits (OGB) to provide information to the state Legislature and Louisiana Congressional leaders on retirement and health benefit issues. RSEA is able to engage in efforts that LASERS and OGB, as well as active state employees, legally cannot.

RSEA and LASERS join together to convince the Legislature and the Governor to oppose any special interest legislation that would have a significant fiscal impact on the retirement system and unfairly treat the regular membership.
